WeedRoller PRO Pricing

PART #	DESCRIPTION	PRICE
WeedRoller PRO		
54677	<p>Standard unit will stand in up to 4.5' of water at the "Drive Head." Unit includes power head, universal dock hardware, power converter, a 6' main power cord (to converter), and a 70' power cord (from converter to power head). Includes 21' of rollers. Rollers are equipped with a flexible coupler at the head and between the 7' and 14' lengths. An optional coupler can be installed within the 14' assembly to provide additional flexibility. The couplers allow contouring to variations in the lake bottom and to provide additional flexibility. Standard hardware package mounts to docks with support legs of 2" diameter or less (square or round). The WeedRoller PRO comes packaged in three boxes and can be shipped via UPS.</p>	\$5,490
Optional Items		
51409	<p>Deep Water Extension 2.5' extension kit to increase the maximum water depth of standard unit from 4.5' to 6.5'. Up to two extensions can be added per WeedRoller PRO.</p>	\$380
51188	<p>Standard Dock Mounting Kit This kit is standard with the WeedRoller PRO. Order an additional kit if you plan on moving the WeedRoller PRO from one location to another.</p>	\$225
51406	<p>XL Dock Mounting Kit This kit is to be used when mounting the WeedRoller PRO to dock posts larger than 2.5" in width and on docks with external wheels. The XL Dock Mount Kit is 7.5" longer than the Standard Dock Mounting Kit.</p>	\$415
51351	<p>Side Post Dock Mounting Kit This mount kit is for docks with no posts on the ends for mounting the standard dock mounts. It mounts flat on the side plates of the dock.</p>	\$135
51320	<p>Mud Kit For extreme mud and muck conditions. Device acts as a large "paddle" on end roller to lift and provide traction through mud. Paddle is removed after the WeedRoller PRO has worked down to a firmer bottom.</p>	\$130
